

The Science of Delicious

Goldrush

- Creamy and savory-sweet with health benefits of turmeric (anti-inflammatory, antioxidant)
- Indulgent flavor and mouthfeel with masking of turmeric
- Vegan and dairy-free

Edlong flavors mask turmeric's peppery, bitter taste, add creaminess and indulgence, and impart an authentic sweetened condensed milk profile.

Edlong Flavors Used in Goldrush:

- Natural Sweet Cream-Type Flavor #1412560 @ 0.1%
- Natural Sweet Spot Flavor #1412836 @ 0.1%
