

The Science of Dairy-Free

Vegan Cardamom Cold Brew Latte

- Smooth, lush coffee swirled with vanilla and spice against an almond base
- An Edlong® Sweet Spot flavor enhances sweetness and masks bitter notes
- A natural Edlong Half & Half flavor improves mouthfeel and imparts creaminess

Cold brew coffee has remarkable consumer appeal. In the year ending February 2017, sales increased by approximately 80%.* Edlong's premium dairy-free version is sweet, creamy and spiced to perfection.
